

Food Fight

The episode begins on a planet similar to Earth. The people of this planet, and the planet itself is made out of food. It shows a huge crowd of people gathered near a large building. There are also other buildings that have giant monitors & displays. Everyone is clamoring about what is going on. Various voices are by David DeLuise, Steve Blum, Jennifer Hale, Wendee Lee, Danielle Harris, Kevin Michael Richardson, Billy West, Frank Welker, Maurice LaMarche, Peter Cullen and Scott Reinecker. Fanfare Music then plays. Everyone then stops and looks up at the giant building. Out come 5 aliens dressed in hooded robes. They take off their robes. The aliens have fast food like items for heads. One is a Hard-shell taco; another is a Pepperoni Pizza slice. One is a Cheeseburger, one is a Chicken drumstick, and one is a soda cup with a straw. Everyone starts cheering. The Pizza alien raises his arms. This causes everyone to stop cheering.

Pizzar: *Voice actor is Maruice LaMarche* People of Saturos V! We have gathered you here today, to discuss something of great concern!

Tockar: *Voice actor is Billy West. He grabs a remote control and presses a button. The monitor displays around the city turn on. People turn and look to watch.* One of our surveillance probes had discovered that our planet is not the only one where our kind exists! It has seemed that eons ago, our ancestors have traveled across the galaxy and found a new world to call home! Unfortunately, it was also discovered that they were not the only ones to live on the planet known as Earth!

Burgar: Apparently, there belongs another sentient race that live there along with our brethren! *Tockar presses another button. The monitors display images of humans.* These beings known as "Earthers" have lived alongside our own on Earth for centuries! However, it would seem that these Earthers consider themselves to be the dominant species of the planet, they have taken it upon themselves to subjugate our own people. To make matters worse. *Small pause* They have been using our own people, for food consumption! *Sounds of gasping and clamoring are heard among the crowd.* What we are about to show you will not be for the faint of heart. I implore you, if you cannot stomach what is about to be shown, then turn away. For the rest of you, observe! *Tockar presses another button. The monitors then show footage of humans doing various things. It shows a man BBQing burgers. It then shows a family of 4 eating them on a picnic bench. It then shows two kids, drinking soda. Then it shows a woman biting into a hot dog and eating it. A man then grabs a pizza slice and eats it. As this footage is being shown, it shows the crowd looking on in horror. Some people look away. A woman with a hot dog for a head scream, then she faints.

Pizzar: As you can plainly see, the Earthers have been taken our ancestors captive, raising them for the sole purpose of consumption! I know that this is difficult to see, but understand that if they ever find out of our location, what is to stop them from coming here and doing the same thing! *The crowd begins to worry.*

Tockar: As horrible as this is, this, is not even the worst of it. *An alien with a chicken drumstick for a head grabs the remote from Tockar*

Chickar: *Voice actor is David DeLuise* No! This is! *He presses a button showing an image of Coop and Jenna kissing each other.* Some of these Earthers even have the audacity to consume our own people for their own sick pleasures! From these two Earthers, we have witnessed a genocide of an unimaginable scale! Observe! *Chickar presses a button. It shows footage of Coop and Jenna eating various things. From "The Bad Guy" it shows Coop eating a bunch of hot dogs and drinking a tub of butter. From "Love at First Fight". It shows Coop and Jenna eating tacos and other Mexican food. From "S-Force S.O.S", it shows Coop holding up a giant sandwich/sundae. From "Violent Valentines Day". It shows Jenna grab a pizza slice and eat it. As this is being shown, Chickar talks* Look and see how these abhorrent monsters mindlessly consume our own kind without any regard! *As this is being shown it shows a man with a pizza head get sick and throw up off screen.*

Sodar: *Voice actor is Peter Cullen* We will not stand by anymore and allow these atrocities to happen!

Pizzar: That is why we will go to Earth and liberate our brothers from captivity, bring them home, and make the humans pay for their rampant gluttony!

Tockar: We will head to Earth and DEMAND they cease with eating our people! And if they refuse to comply, we will send our armada, invade their planet, *smiles* And, in a twist of delicious irony, consume their flesh as they have consumed ours! *The crowd cheers. An alien whose head resembles a chicken sandwich appears*

Chicken Sandwich Alien: *Voice actor is Frank Welker* Sir, the preparations are complete! We are ready to head to Earth!

Pizzar: Excellent! *To the other members* Come! Let us go save our brethren! *The leaders' wave at the crowd and leave. They get into an elevator that travels to a basement. When the elevator doors open it shows a spaceship that is made out of corn. The hatch door opens and the aliens get in and sit. Another pilot resembles a burger. He presses things on the console.*

The scene shifts to what appears to be a mountain area. The mountain is made out of pizza. There is water at the base of the mountain which is actually cherry soda. Part of the mountain opens up. A few seconds later it shows the spaceship take off and fly out of the mountain. It then flies into space.

Pizzar: Soon, those Earthers will know just how bad we can be! *It shows the ship flying towards Earth*

It shows various people enjoying themselves. It shows Little Tommy walking drinking a soda. It then shows a couple of kids are playing a game. It's the game where you have to shoot water into a clown's mouth. A blonde hair kid wins the game. He gets a giant balloon bat. It then shows people on a ride that goes upside down. Racheal: Ugh! *Pushes Jamie's arm away.*

Jamie: *Sighs* Jamie looks up and sees something.* Yo Coop! Check this out. *It shows a dude with a yellow moustache and bald head using a hammer to strike something. He is trying to hit the bell. It only goes half way up.* He gets a stuffed rabbit. He takes it and walks away dejected.* That should easily be something I could probably do. *Coop looks at the thing, then at Jamie.*

Coop: I dunno Jamie. That hammer looks kinda heavy.

Jamie: Dude seriously? I could probably lift that thing. Watch. *Jamie goes over to the guy running the game. Racheal walks over to Coop and Jenna.*

Racheal: This should be good. *Coop and Jenna look at Racheal, then back at Jamie. Racheal takes a sip of her soda. Jamie pays the man and goes over to the hammer.*

Jamie: Ok. No sweat. I got this. *Jamie goes to grab the hammer but he can't even lift it up.*
ERRGHH! ERRRGGAA! *Racheal raises an eyebrow.* UGH!!! Man, just how heavy is this thing!? *As Jamie struggles to lift the hammer, Coop, Jenna, and Racheal start to snicker. Then they start laughing.*
Errgh!!

Carne: *Voice actor is Billy West* Hey kid! Maybe you should quit before you pull a muscle! You should use the lighter hammer! *He points to the smaller hammer*

Jamie: I can do it! Just gimme a sec! *Jamie continues to struggle as he tries to lift up the hammer. Racheal is on the ground laughing hysterically. Jamie then gives up and goes for the smaller hammer. Even then, he cannot lift it up* Oh come on! *He can't lift the smaller hammer, so he drags it along the ground to the bell thing.* Come on! *Jamie slowly manages to lift the thing.* Errrghh! *Jamie screams like a little girl as he lifts it up. He then drops it on the platform thing* UGH! *The part the goes up to hit the bell barely goes up. It then comes down.*

Carne: Tsk tsk tsk. Man, that's just sad. *Jamie goes to walk away* Hey kid! You forgot your prize! *Jamie goes to the man. The man gives him a ribbon. On the ribbon it says "There was an attempt." The sound of a donkey braying is heard. Jamie looks disgruntled. He walks over to the others.*

Racheal: Hahahah! Oh wow! You sure showed me! Look at you! Mr. Strong Guy over here! Hey wait! Let's take a picture! *Racheal puts the ribbon on Jamie's jacket. She then does a selfie with Jamie. Jamie is upset while Racheal smiles.* This is so going on my Titmouse account.

Jamie: Pfft! And you think you can do any better! If I could barely lift that thing up, there is no way you can!

Racheal: Oh no? Watch me! *Racheal walks over and pays the man for her turn. She looks at the big hammer, but realizes she won't be able to lift it up. So, she goes for the lighter hammer instead. She however, has trouble lifting it up* Errghh! *It then shows Jamie with a smug expression on his face*

Jamie: Heh. *Both Coop and Jenna start to encourage Racheal by saying various words of encouragement. Jamie looks at them, then back at Racheal. Racheal continues to struggle.* Just give up Racheal! There's no way you can even lift the smaller one if I could barely do it! *Racheal looks at Jamie and grrs.*

Pseudo-Daydream

Jamie's voice: Yeah Racheal! Just give up! *Racheal looks up to see the owner of the game. Jamie's head is superimposed on him*

Carne-Jamie: This thing is way too hard for you. Better let a strong guy like Jamie do it for you. *Racheal looks at another game stand. It's the one where you try to throw rings onto bottles. It shows Jamie's head super imposed on another guy*

Carne-Jamie 2: Yeah. He's right. You should just go home while you still have your dignity intact. Just admit that Jamie's better than you. *Racheal looks at another game thing. It's the game where you have to throw a ball to dunk a person. Jamie's head is super imposed on the guy who you have to dunk.*

Carne-Jamie 3: No one will think any less of you. Better let a strong guy like Jamie handle it. *A ball hits the thing. The guy falls into the water* Erggh! *The guy comes up from the water. He spits water out.*

Back to Reality

The scene shifts back to Racheal. She looks at the thing she has to hit. She gets angry and manages to lift up the hammer

Racheal: RAAGGGGAHH!!! *She slams the platform. The thing goes up much higher than Jamie's, but doesn't hit the bell. It goes up a little more than half way. For that she wins a bigger prize. Coop and Jenna cheer. Jamie looks upset. The carne gives Racheal a stuffed teddy bear. She smiles and walks back to the others.*

Jamie: What are you happy about!? You didn't hit the bell!

Racheal: No, but I did better than you. That was the whole point. *She walks away. Jamie just goes "hmp!"

Coop: All right. I guess I'll give it a go! *Coop walks up to the carne and pays. Jenna, Racheal, and Jamie offer words of encouragement. Coop looks at the smaller hammer, then over to the bigger hammer. Coop manages to grab the bigger hammer with one hand and put it over his shoulder. He walks over to the thing and puts the hammer down.* All right. This don't look so bad. *Coop spits into his hands and rubs them together. He then lifts up the giant hammer.* REEEYAAHHH!!!! *Coop hits the thing with such powerful force. It does a triple screen of Coop hitting the thing. Everyone cheers. The other thing hits the bell so hard; the bell comes off and falls down next to the thing. The Carne is amazed.* Uh. Sorry about that. Guess I kinda don't know my own strength.

Carne: We have a winner! Go ahead. Pick any prize you want! *It shows a wall of prizes. Among them, is \$500 Cash, A New Videogame console, A stereo system, and other stuff. Coop looks*

Coop: Hmmm. *Jenna comes up to Coop from behind and hugs him. She looks with Coop* What do you think I should get babe?

Jenna: *Sees something she likes* Ooo! How about that!? *Coop looks and smiles*

Coop: Nice! *He gestures to the carne what he wants. He goes and gets it for him. Coop and Jenna walk back over to Jamie and Racheal.*

Jamie: So what'dya get? *He shows Jamie: It makes the shing noise as it is shown.* A \$500 gift card for Georgiano's steakhouse? Dude! You should have gone for the cash!

Coop: Yeah, but Jenna and I love this place! *To Jenna* We could go tonight!

Jenna: Sounds good to me! *They kiss.* Mwah! *Coop and Jenna rub noses. It shows them walking away from the game. Jenna's head is leaning on Coop's shoulder. Coop has his arm around her as they walk. Racheal and Jamie follow behind.*

The scene shifts to another area of the festival. there are benches and picnic tables set up. It shows Kiva sitting by herself. She looks at her watch to see what time it is. She then sighs. Goat then walks over to her.

Goat: Hey Red! *Kiva looks at Goat* You wanna take a ride with me on the tunnel of love? *It shows the tunnel of love ride. A couple comes out from the ride. Kiva looks reluctant*

Kiva: Sorry Goat, but I'm waiting for Coop and the others to get back. Maybe another time.

Goat: Hmph. *Goat spots another woman and goes over to her* Hey. You wanna take a ride with me on the tunnel of love? *Kiva puffs her hair up. It then shows Coop, Jamie, and the girls come over to the bench. Both Coop and Jenna have a giant tray of food. Jamie still has his corndog. Racheal is eating a candy apple. As Coop and Jenna dig in, Kiva raises an eyebrow.*

Kiva: Don't you two think that you're both eating a bit too much?

Coop: *With his mouth full* You kidding? This ain't even a snack! I would have gotten more, but I don't got enough hands.

Jenna: *Also with her mouth full* Besides. Coop and I need to prepare.

Kiva: Prepare for what?

Coop: The festival's hosting an eating contest. Jenna and I need to train our appetites. *As Coop talks, it shows people setting up an area for the eating contest. Jamie and Racheal look up, then look at each other, then at Coop.*

Jamie: Wait a minute. An eating contest? With you and Jenna!? At the same time!? *Small pause* Oh man.

Kiva: I'm confused. Is this a bad thing?

Jamie: The way Coop and Jenna eat, there won't be a winner!

Racheal: You should have been there the last time they participated in an eating contest together.

Pilot: At once. *The pilot does something. In space, a satellite that resembles a nacho bowl with a toothpick and an olive home in on Coop and Jenna.* Targets have been acquired. *He sees what is going on.* Oh my.

Pizzar: What's going on!?

Burgar: Give us a visual! *On the monitor it shows Coop and Jenna eating mass quantities of food. The world leaders look on in disgust*

Chickar: Such...horror!

Pizzar: Even now, they have the audacity to commit genocide of our people! They must pay for their crimes against the Saturosian race! *To the pilots* Descend on planet Earth! Head over to the location of those two Earthers! *The pilot does as he is told.*

Back down on Earth, it goes back to the competition. Coop and Jenna are the only two contestants left. They are now sitting across from each other. "Hang em Low" plays.

Announcer: But...you both ate everything here.

Jenna: Then go find more food! We're not done yet. *The announcer looks around. One of the judges gets up and whispers in his ear*

Announcer: You sure? *The judge nods* Ok then. Ladies and Gentlemen! Due to the unforeseen events that have occurred, it has been decided by our panel of judges that this year's contest will end...*small pause*...In a tie! Coop: So did you. *They press their foreheads together. Then they head back down to where their friends are. Coop and Jamie do the rock on pose thingy. Jenna and Racheal do it afterwards.

Kiva: I-I don't know what to say. I'm speechless.

Jamie: Told you there wasn't gonna be a winner.

Coop: Who said this contest was over? We only just begun. Hey Jenna. Let's put that Georgiano's gift card to good use and head there for some all you can eat pasta!

Jenna: You're on! *It shows everyone walking towards the parking lot where Megas is.*

Kiva: They can't still possibly be hungry! They both just ate enough for a small army.

Jamie: You haven't seen anything yet. *Kiva's scanner thingy goes off.*

Kiva: Hmm. *She activates it. It shows the Saturoisian airship enter Earth's atmosphere.* Coop!
Jenna! *They look at Kiva* An airship just entered Earth's atmosphere! It's headed this way! *Coop and Jenna then look up and see the giant airship approach.*

Coop: What the heck is that!? *The ship aims one of its cannons at Coop and Jenna. It fires a blast.*
Woah! *Coop tackles Jenna to the ground protecting her and himself. The shot misses. It instead hits a POP TV stand. It explodes.* You ok? *Jenna nods*

The airship then aims at Jamie and Racheal. It fires another shot.

Jamie: AHHH!

Kiva: Get down! *Kiva pushes both Jamie and Racheal out of the way. The shot hits a car. It explodes. It starts firing randomly. People are running scared. Various stands are destroyed. *It then shows the airship hover near the gang. A beam of light shines down on the ground. The 5 Leaders of Saturos V appear in hooded robes. They take off their hoods.*

Pizzar: Attention people of Earth! We are from the planet Saturos V! Part of the Lipitod Galaxy!

Burgar: We are here on, what will hopefully be a diplomatic endeavor. Provided of course you cooperate. *Coop raises an eyebrow.*

Tockar: For too long have your kind have been capturing, enslaving, and consume our people that had settled on this planet long ago.

Coop: Uhh, what the heck are you guys talking about?

Chickar: *Points at Coop* Do not insult our intelligence! You know full well what you have done!

Coop: *Stands up* Uh yeah. I don't. And furthermore, you chumps just tried to blast me and my girlfriend! *It pans over to Jamie, Racheal and Kiva*

Jamie: Not to mention us.

Chickar: Your crimes against the Saturoisan race must cease immediately!

Jamie: *To Kiva* Is it me, or is that guy's head resemble a giant chicken leg? *Kiva uses her scanner*

Kiva: His head IS a giant chicken leg! *She then runs scans on the others* Apparently, the people of Saturos V have a genetic disposition made entirely out of food!

Jamie: So, like food people!?

Kiva: Exactly! Not only that, but their planet is also made out of food as well! *It then shows a split screen of Coop and Jenna smiling*

Coop: Wait. You saying that out there, is an entire planet made out of food!? *Coop and Jenna both lick their lips*

Daydream

It shows an entire planet that is made out sweet and salty food stuff. There is ice cream, Burgers, Philly Cheesesteaks, etc. It shows both Coop and Jenna look around and smile. It then shows Coop grab a blanket from a cooler and set it down by a tree, that is made of chocolate. Coop and Jenna sit down. Jenna nuzzles up to Coop. Coop then grabs a cup and dumps it into a river, that is made out of strawberry, Mega-Slush. He puts 2 straws in. They both drink from the cup. Jenna then grabs a piece of chocolate from the tree. She breaks it in half. She gives a piece to Coop. They both eat. She then goes and rubs Coop's stomach, while nuzzling her head on his chest. Coop leans over and gives Jenna a kiss on her head.

Back to reality. It shows a split screen of Coop and Jenna

Jenna: Did you just have the same fantasy as I did?

Coop: You mean the one where we're resting near a tree made out of chocolate and the river's made out of Stratospheric Strawberry Slime!?

Jenna: Nice.

Sodar: Silence! *Coop and Jenna look at the Leaders of Saturos V* We are prepared to wage war on your planet, and take your people as prisoners of war. Just as you had done with our people who settled her long ago. Then you shall become a food source for us!

Racheal: As in, eat us!?

Pizzar: That's precisely correct Earther! However, we are willing to spare your planet along with its people. You just need to agree to our demands!

Kiva: And that would be?

Tockar: 1: Release all of the Saturosian prisoners that are being held captive so that we may take the back home with us! *As he says this, Coop and Jenna look at each other. Coop shrugs* 2: You cease and desist any and all subjugation, enslavement, and consumption of our people as a food source! And lastly 3: *Points to Coop and Jenna* These two are to come back with us to Saturos V where they will face public execution to show you Earthers and our people that you will never enslave us ever again!

Jenna: What!?

Coop: Woah. Don't we like get a trial or nothing!?

Burgar: There is no need for a trial! We already have all the evidence we need to know what you are your significant other have done!

Kiva: Listen! This is just some huge misunderstanding. The food we eat comes from Earth! Not Saturos V!

Sodar: Enough! *To Coop and Jenna* You two! Come with us to face judgement!

Coop: No way! We ain't going nowhere!

Chickar: Oh? And what do you plan to do to stop us? *Coop and Jenna look at each other. They nod*

Jenna: This! *Jenna twists her MRU to the left, then to the right. She presses the top button. At her house, Megas 2 emerges. It lands next to Megas in the Parking lot, picks it up, and heads over to them. Megas 2 puts Megas down. Coop, Jamie, and Kiva get into Megas. Jenna and Racheal get into Megas 2. Both Megas and Megas 2 strike a pose. The shing noise is heard. The Saturoisans look up in worry.

Coop: Now what was that about executing us?

Pizzar: *To Tockar* Did you know that they had giant robots?

Tockar: Not exactly...*They look at Megas*

Coop: Luckily for you chumps, I happen to be a nice guy. So, I'm gonna let you guys leave and not come back!

Chickar: T-This will not deter us, Earther! Your judgement is long overdue! We too can fight! Behold! *Chickar presses a button on his robe. The others do so as well. From space, one of the airships fire down several beams of light. The light hits the ground. When the light disappears, it reveals giant vehicles made out of food or drink. They are slightly bigger than Megas. It does a split screen of Coop and Jenna looking them all. Pizzar's ship is a stealth fighter jet designed like a pizza slice. Chickar is piloting a giant tank that resembles a chicken leg. The cannon is where the bone is. Burgar is controlling a UFO that resembles a cheeseburger. Sodar is controlling a mecha that resembles a cup of soda. It almost resembles Master Shake from "Aqua Teen Hunger Force" Lastly, Tockar is controlling another stealth fighter jet that resembles a hard-shell taco. It pans out showing all of the food vehicles. Jamie and Kiva look shocked. Coop on the other hand smiles and licks his lips.*

Jamie: I've heard fast food could be bad for you, but I didn't think they meant this.

Pizzar: And now you shall pay for your crimes! Now my brothers! Attack!

Tockar: Pizzar! Let's take the red one!

Pizzar: Right! *Both Tockar and Pizzar's ships fly towards Megas 2*

Racheal: Look out!

Jenna: Woah! *Pizzar's ship crashes into Megas 2.*

Jenna/Racheal: AHHH! *Megas 2 goes flying into a bunch of buildings that are near the park. Megas 2 slowly gets up*

Jenna: Errghh....ugh...

Racheal: Uh Jenna? *Racheal points up. It shows both Pizzar and Tockar's ships circling Megas 2. Jenna and Racheal look at each other and nod. Megas 2 jumps up into the air and lands on Pizzar's ship. It shows the screen shake as Pizzar pilots his ship.*

Pizzar: What the!? *He looks at his monitor. It shows Megas 2 on his ship* Get off! *Pizzar tries to shake Megas 2 off of it, but it holds firm. Pizzar's ship spins around trying to throw Megas 2 off of it*

Jenna: WOAAAH! *Megas 2 grabs onto the sides to ship and holds on.*

Tockar: I'll shoot them down! *It shows Tockar aim at Megas 2 on the monitor. A reddish tint appears. It locks onto Megas 2. Tockar fires shots that resembles wads of meat*

Racheal: Jenna! Incoming!

Jenna: Got it! *Megas 2 jumps off of Pizzar's ship. The shots head for Pizzar. He gets O.O eyes. The shots hit his ship. He goes crashing into some grass. Tockar's ship lands near it.*

Tocker: Whoops! Sorry about that.

Pizzar: Grah! Never mind. Let's just get them! *Both ships get back into the air and pursue Megas 2.*

*The scene then shifts to where Megas is. It shows that Megas is surrounded by Bugar, Chickar, and Sodar's ships/mech.

Sodar: Surrender Earther, and we shall make your end painless.

Coop: No way!

Burgar Then suffer! *Burgar aims at Megas. He presses a button. His UFO ship fires a missile that resembles an olive. Coop gets a worried look on his face. The missile hits Megas. Megas lands on its back. It then gets up.*

Jamie: Dude! Was that an olive!? Are they attacking us with food!? *Chickar's tank heads for Megas. Coop sees this and has Megas jump over the tank. The cannon then swivels around and aims at Megas. It fires mashed potatoes at Megas.* Coop!

Coop: Huh!? *Megas gets pelted and goes down. The car dashboard is covered in mash potatoes. Coop looks at Jamie and Kiva. He then opens the window. He takes his arm and gets a glob of the potato and tastes it.* Mmmm. Garlic Mashed Potatoes.

Jamie: Really? Nice.

Kiva: Guys focus! *Megas gets back up. Coop activates the windshield and gets the mashed potatoes off of the car window. Coop can see again. The gang looks up to see Burgar's UFO hovering over Megas. Its cannons lock on to Megas. Inside the UFO. Burgar presses a button. It fires sesame seeds at Megas. Megas puts up its arm to buffer he shots.*

Coop: Any ideas Jenna?

Jenna: Sorry Coop. It's hard for me to think when I'm hungry. *Her stomach growls. Coop's does as well.*

Jenna: Come on Racheal. You should know by now that Coop and I are always hungry!

Jamie: *As Jamie speaks, it first shows him talking with Coop, then he appears on Jenna's monitor* Hey Coop. Maybe you and Jenna could just eat the robot. Then we wouldn't have to worry about it. *It does a split screen of Coop and Jenna perking up. They both then look at each other, then at the Lardinator*

Coop: That's it! *Coop starts to unbuckle his seatbelt*

Jamie: I was joking Coop.

Coop: Well, I ain't!

Jamie: Wait, you're seriously gonna try and eat that thing?

Coop: You got any better ideas?

Kiva: Coop there is no way you'll be able to that eat entire robot!

Coop: Oh no? Watch me! *To the Saturosians* Listen up you mutant freakshows from the back of the fridge! You ruin the festival, get our robots covered in sticky food condiments, and now you wanna take me and Jenna back to your home planet, just so you can eat us!? Well, if you ask me that's pretty messed up!

Pizzar: Silence Earther! We have justification in this! Your people have slaughtered millions of our people to satisfy their ravenous hunger!

Coop: Maybe so! And maybe I can't beat you! But you know what I always say? If you can't beat them, then eat them! *Coop presses a button. This causes the middle compartment between the seats to open up. Out comes a bottle of BBQ sauce, a bib, a fork, and a knife. Coop puts the bib on.*

Jenna: Good thinking Coop! *Jenna also does the same thing. It then shows the convertible hood of both of their cars open up. Coop and Jenna are both ejected from the car seats.

Pizzar: No! *It shows various images of Coop and Jenna eating various parts of the robot. It does a split screen of Coop eating part of the hot dog portion of the Lardinator. On the right side of the screen, it shows Jenna eating the chicken nugget part of the Lardinator.* Enough of this madness! No Earther could eat that much!

Coop: You kidding!? I ain't even begun to eat! *Coop eats part of the roast beef sandwich head of the Lardinator* Oh man! That's good. *He yells to Jenna* Hey Jenna! Did you try the roast beef!? It's really good!

Jenna: Yeah! But You've got to try the pizza! The pepperoni is delicious! *It shows Coop and Jenna eat more and more of the Lardinator in a montage. After a bit, it shows the Lardinator's body start breaking apart. It goes down on one knee. The parts start to melt into each other.*

Jamie: Yeah! It's working! *Racheal is shocked. Inside the control room, it shows the room imploding on itself. The Saturosians are panicking as this happens. Back outside it shows the Lardinator collapse on itself. Most, if not all of Jersey City is now covered in food and stuff. From a pile of Food, it shows Coop emerge. He then goes to help Jenna up. They both are covered in food. Coop takes a glob of food off of Jenna's cheek and eats it. Jenna does the same with Coop.*

The scene shifts back to the top of Megas.

Jamie: That, was the most horrific display of gluttony I have ever seen. *Small pause* Do it again! *It shows everyone in Jersey City cheer. Coop and Jenna look around. The 2 girls from before give Coop and Jenna another robe and crown. Coop and Jenna look at each other and kiss. It shows Jamie and Racheal cheering as well. The sound of Kiva retching is heard. They look to see Kiva who is throwing up. Jamie and Racheal look at each other, then back to where Coop and Jenna are. They are still kissing. Squishy sounds are heard. Coop and Jenna stop and look at a pile of food that is moving. The Saturosians emerge from the blob of food. They look up at Coop and Jenna. They then bow to them.*

Pizzar: Please ravenous ones! Please spare us and our planet from your gluttonous wrath!

Tockar: We'll do anything! *Coop and Jenna look at each other. They then start laughing*

Coop: Dude! Chill out! We ain't gonna eat you or your planet or nothing.

Chickar: But, what about those captured on Earth? What will happen to them? *Coop and Jenna look at each other again.*

Coop: Come here. I got something I wanna show you. *The Saturosians look at each other.*

The scene shifts to the park where the festival is. Most of the rides are covered in food. The Saturos V ship takes off and flies into space. The armada that is in space also leaves. It shows Coop with his arms folded. Jenna his behind him rubbing his shoulders. Jamie, Racheal, and Kiva, who is still visibly sick walks up to them.

Jamie: So, how did you convince them to leave us alone?

Coop: Easy. *Coop pulls out a VHS video out of hammerspace.* I just showed them how food is made. *It shows the cover of the VHS. It shows an image of cow being carried by a crane towards a meat grinder. The sound of a bull mooing angerly is heard.*

Jamie: Nice.

Coop: Thanks for the idea by the way. Worked better than I expected.

Jamie: Guess you can now say that it was your appetite that saved the world. *Coop and Jamie do the rock on pose thing. The sound of Kiva throwing up is heard again. They all look to see Kiva throwing up.*

Jenna: What's with her?

Racheal: Let's just say that she's had enough food for one day.

Jamie: So now what? *Coop and Jenna's stomachs growl yet again. Jamie and Racheal are shocked.*

Coop: Now it's time for dinner!

Jamie: No way! Even after all that you're still hungry!?

Coop: Of course! Plus, we never got a definite winner from the eating contest. Jenna and I gotta finish this! *To Jenna* You wanna finish this up over at Georgiano's?

Jenna: *Leans on Coop and clings his arm* I'd love too. *It shows them walking to where Megas is.*

Jamie: Even after all that they still want more.

Racheal: I could get fat just by watching them.

Jamie: Well, it should be interesting to see if they can clean out the entire restaurant. *To Kiva* Hey Kiva! You coming?

Kiva: Ugh. You guys go on without me. I think I need to lie-*Before she can finish, her cheeks puff out again. She goes to throw up off screen*

Jamie: Suit yourself. *Jamie and Racheal go and join up with Coop & Jenna.*

End Credits: Goat is on the Tunnel of love with a girl. He puts his arm around her. It then shows the outside of the ride. When the gate opens up, the girl is the only one on. Goat comes out later with a black eye and a missing tooth.*

The End.
